### Protocol for SSAA disciplines with split National Championships and National Discipline Subcommittee Meetings by SSAA National Secretary

As more SSAA disciplines may now have 'split' National Championships, a protocol has been developed to clarify the position of the Discipline Subcommittee Meetings that are held in conjunction with National Championships. SSAA National Inc's protocol for disciplines that have split National Championships is that the National Discipline Subcommittee Meeting is to be held at the National Championships of the parent discipline. Informal meetings can be held at the split National event. However, if there are any recommended actions or agreements arising, they can be taken to the relevant National Discipline Subcommittee Meeting through the state discipline representatives.

The club's objective is to 'create a unified body of people interested in the preservation, collection, study (both technical and historical) and field competition shooting of large bore, big-game rifles, both black powder and Nitro'. The club also promotes the safe handling and responsible use of firearms and fosters the use of all calibres and action types including muzzleloaders. Club events attempt to simulate field conditions for big and dangerous game, so time and accuracy are the two critical factors. All events are shot between 25 and 100 yards and 50m Pistol targets are used. If you would like to experience this unique and challenging sport, want to find out more about the club or would like to join, please contact Barry on sgr55@ozmail.com.au or Terry on terry@ssaatasdeer.org.au Alternatively, visit www.ssaatasdeer.org.au
