National

Protocol for SSAA disciplines with split National Championships and National Discipline Subcommittee Meetings

by SSAA National Secretary
As more SSAA disciplines may now have 'split' National Championships, a protocol has been developed to clarify the position of the Discipline Subcommittee Meetings that are held in conjunction with National Championships. SSAA National Inc's protocol for disciplines that have split National Championships is that the National Discipline Subcommittee Meeting is to be held at the National Championships of the parent discipline. Informal meetings can be held at the split National event. However, if there are any recommended actions or agreements arising, they can be taken to the relevant National Discipline Subcommittee Meeting through the state discipline representatives.

SSAA Adelaide Black Powder Muzzle Loading Club Inc 50th Anniversary Shoot

This club was officially formed in January 1962, but held informal shoots from 1960 at various locations. In 1974, the club joined the SSAA, forming the Black Powder discipline at the SSAA SA Para Range. In 1983, the club moved to Castambul. During the past 50 years many members have passed through the club, most of whom found the sport rather demanding, possibly frustrating, but nevertheless they would remember the experience, whether it was with muzzleloading or breechloading rifle, shotgun or pistol. To celebrate many years of determination, frustration, hot lead, uncertainty and small victories at the target and firing line, not to mention working bees and socialising, the club invites all past and present members to attend the 50th Anniversary Christmas Shoot and have a shot or join in a barbecue to remember their time at the club. The shoot will be held on Saturday, December 17, 2011, at the range off Gorge Road, Castambul, Adelaide Hills, SA. A mud-map and program will be sent to those past members who RSVP by December 9. Inquiries to garief@adam.com.au or 08 8331 0535 (after hours).
