Conduct of Matches:

In order to comply with the SSAA NSW COVID-19 Protocols / SSAA Mudgee Branch COVID-19 Management Plan, the Titles will be conducted with details. Accordingly, competitors will be squadded into details, and on the Saturday, events will be conducted concurrently on Ranges 1 and 2, so as to expedite the conduct of events, and minimize the numbers of competitors on each range at any one time. Competitors will complete the series of events on each range, and then each group will swap over at a designated time, so as to compete in their next Rifle category and course of fire. In the event of inclement weather, or an "Act of God" which causes the conduct Titles to be halted, results will be determined from those competitors who have completed the relevant matches.

Organisers reserve the right to alter the order or number of events held in line with organisational requirements.
