# SSAA's Comprehensive Guide to Shooting & Hunting in Australia

The SSAA's *Comprehensive Guide* covers many different shooting disciplines and events (including rifle, shotgun and handgun shooting), shooting techniques, detailed state and territory specific information about hunting, as well as something for junior shooters. This magazine is aimed at all shooters, hunters and outdoors enthusiasts Australia-wide, but is particularly orientated towards newcomers.

The Guide is becoming more and more popular with readers and advertisers each year and with a firm circulation of 20,000 per issue, it has successfully established its place in the SSAA's stable of publications. With every edition to date completely selling out, the seventh edition to be released in 2023 is set to be bigger, better and more popular than ever.

Please keep in mind that a large portion of readers of this publication are not SSAA members, as they are often just entering sports shooting, recreational hunting or the Association for the first time. The SSAA's *Comprehensive Guide* is therefore a great platform for you to promote your brand and products to the next generation in our sport. Every edition to date has been completely sold out!

# Website and E-newsletter

Website and email advertising is a fantastic, easy and inexpensive way of getting your business and brand name out there. All adverts on our website, when clicked on, will link visitors directly to your website, providing your customers with an immediate point of call. We have at least 100,000 unique hits to our page per month.

In addition to this, you can tailor your advert specifically to your desired audience by placing it under either our **Disciplines** or **Hunting** category. Depending on what is best suited to your business, products or services, you may choose for instance to place adverts showcasing your hunting firearms or products intended for the field under the Hunting category, while target shooting or all-purpose firearms and products may be better placed under the Discipline category.

# Terms and conditions

*Australian Shooter, Australian Hunter, Australian & New Zealand Handgun, Great Australian Outdoors, SSAA's Comprehensive Guide to Shooting & Hunting in Australia, Secure Your Gun, Secure Your Sport, SSAA National E-newsletter, and SSAA National website (ssaa.org.au) are published by the Sporting Shooters' Association of Australia Inc (SSAA National).*

Any Advertiser Booking Contracts that are not returned with confirmation by signature before the space booking deadline stated on this Rate Card will not be included for the requested month. All Booking Contracts must be signed to secure and confirm the advertiser's agreement to place advertisements in SSAA National's publications.

Material for booked advertisements must be in the hands of the publisher as per the deadlines stated on this Rate Card. Otherwise, the advertisement, as standing, will be repeated.

All advertising must be cancelled in writing to [advertising@ssaa.org.au](mailto:advertising@ssaa.org.au). Cancellations of contracted advertisements will not be accepted after the space booking deadline. If a contract is cancelled without being fulfilled to its term, rates will be adjusted and reviewed as required.

All rates quoted are excluding Australian GST, and are based on per insertion for full-colour adverts.

All specified positions incur an additional 15 per cent surcharge, across all print titles.

Agency commission is set at 10 per cent.

Advertisements for use in any of SSAA National's publications can be designed free of charge. However, if you would like to use one of these advertisements in a non-SSAA publication or website, a \$250 makeup fee will be charged.

## Print specifications

All ready artwork must be supplied digitally as high resolution print-ready PDFs with trim marks and bleed, either delivered by email or CD. All advertisements must be accompanied by a colour proof as verification.

When the advertiser's complete artwork does not fit the required size specifications as outlined for each publication on this Rate Card, the publisher will resize or adjust the artwork to fit at its own discretion.

The publisher reserves the right to reject inferior artwork.

## Policies

SSAA National reserves the right to reject any bookings and advertising submissions at its own discretion and without stating a reason.

SSAA National has a policy on advertisements in the Association's publications. We request that all advertisers be cautious with the descriptions or imagery associated with their products, particularly firearms and scopes. Adjectives such as 'tactical', 'sniper', 'mil-spec', 'police', 'defender' and 'homeland defence' can create off-putting connotations and are easily exploited by negative media agencies, journalists and politicians. In short, it makes our cause to promote recreational shooting and hunting even harder. We realise that in some instances the words 'tactical' or similar are a part of the product's name and we will consider advertising these products on a case-by-case basis. All advertisement artwork and images should be considered in the same context as avoiding the use of aggressive or militaristic sounding words. In addition, advertising that promotes overt sexism should be avoided and may be rejected on those grounds.

The publisher will place the word 'advertisement' on any copy, which, in the publisher's opinion, too closely resembles editorial matter.

## Payment options

If you would prefer to pay by cheque, please make the cheque payable to Sporting Shooters' Association of Australia Inc, and send with your invoice number to the SSAA National Accounts Office within 30 days of the invoice date.
