Permits

Any person who wishes to possess, transport or use a firearm that is not licensed in the state of Western Australia must obtain an appropriate permit prior to entering the state.

The following permits are available:

Temporary Permit (Section 17)

- A fee may apply to a Temporary Permit - this will be determined at the application assessment stage.
- If an applicant intends to use the firearm a fee will be charged and a cheque or Money Order should be forwarded with an application and paid to the 'Commissioner of Police'. Alternatively a credit card payment may be taken over the phone at the time of processing. The scheduled fee can be found in the Limited Permit Fee section below.
- If an applicant is simply transporting a firearm(s) through the state or to a firearm dealer pending a future Western Australia Firearms Licence Application the scheduled fee will likely be waived.

What you need to provide

[Read More](#)

Temporary Permit (Section 17)

[Read Less](#)

An Original Temporary Permit can only be issued for up to a 3 month period and is subject to a monthly scheduled fee or part thereof.

Please note: legislation only permits two Original Permits being issued in a single 12 month period. If a person wishes to retain the firearm after this process the applicant would need to consider making an application for a permanent Western Australian Firearm Licence.

Interstate Group Permit (Section 17A)

[Read Less](#)

If a person is an interstate sporting group or association they can apply for an Interstate Group Permit. These permits do not usually incur a fee.

Please note: Interstate Group Permits will only be issued for a maximum period of 28 days.

Applications should be submitted by a group representative, detailing each group member and the associated firearm details.

An Interstate Group Permit must be submitted 1 month prior to the event date to allow for processing time and return postage of the permit. All hand written applications must be clear and legible and include full names, dates of birth, residential addresses used (Not PO Boxes), and full firearm and serial number details. Any application that is illegible will delay processing times.

Should any member wish to remain in Western Australia longer than the 28 day period of an Interstate Group Permit they should consider submitting a Form 17 Temporary Permit Application. Fees may apply.
